		Total Credits.	Working Expenses.		
	Rs.	Rs.	Rs.	Rs.	
1934-35	32,41,000	8,32,096	10,13,896	26,54,302	100
1935-36	30,29,182	8,61,181	10,16,059	25,32,751	95.41
1936-37	25,49,779	8,64,814	11,14,911	21,12,796	80.30
1937-38	31,55,581	10,77,869	10,77,869	21,28,454	80.46
1938-39	31,71,141	11,11,738	10,48,077	20,17,001	79.25

Note.—(a) Deduct a sum of Rs. 1,12,171 re-transferred in 1935-36 has been adopted here as pertaining to the year 1934-35.

(b) Excludes a sum of Rs. 1,36,171 for income stated above.

(c) The contribution of Rs. 1,00,000 from Port Funds to Revenue Account has been deducted from the figure of gross receipts to arrive at the actual income of the Trust.

(d) The contribution of Rs. 1,00,000 from the Port Fund and Rs. 1,12,171 from the Lending Charge Fund to Revenue Account have been deducted. The sum of Rs. 30,000 representing the value of river assessments transferred to Military Department and shown under "Non-revenue adjustment" has also been deducted from the gross figure of receipts to arrive at the actual income of the port.

(a) The contribution of Rs. 72,000 from the Port Trust and of Rs. 25,000 from Reserve Reserve Fund have been deducted. The sum of Rs. 30,000 referred to in Note (d) under paragraph 5 of the Audit Report for 1935-36 has been added to the gross figure of receipts in order to give the actual amount of the year, as the above is not included in the credit of Reserve Fund during the year 1935-36 from the land Revenue account.

The increase in the percentage of working expenses is mainly due to the increase of Rs. 1,24,000 in the working charges which is explained in paragraph 6 infra.

The increase in the receipts is due mainly to the increased receipts under (i) dues on imports chiefly due to increased receipts of rice and food grains, (ii) dues on exports, (iii) harbour terminal charges and (iv) quay dues.

6. Financial position.—The statement below shows the receipts and expenditure of the Madras Port Trust during six years from 1933-34 to 1938-39:—

Year.	Rs.	P.	Rs.	P.	Rs.	P.	Rs.	P.	Rs.	P.
1933-34	100	100	100	100	100	100	100	100	100	100
1933-34	2,42,000	20,00,000	22,07,000	20,00,000	16,000	19,04,000	1,07,000			
1934-35	2,47,000	20,74,000	21,01,000	20,30,000	8,78,000	27,00,700	8,78,000			
1935-36	2,50,000	20,47,000	20,41,000	20,41,000	4,38,000	26,81,000	6,78,000			
1936-37	2,60,000	20,41,000	20,41,000	20,41,000	4,38,000	27,11,000	8,78,000			
1937-38	2,61,000	21,73,000	21,73,000	21,73,000	4,61,000	27,81,000	10,78,000			
1938-39	2,61,000	21,73,000	21,73,000	21,73,000	4,61,000	27,81,000	10,78,000			

Note.—The figures have been rounded to the nearest thousands.

The receipts realized from revenue in 1938-39 were more than the receipts during 1937-38 by Rs. 1,00,000, as will be seen from paragraph 7 supra, but the receipts from other sources were lower by Rs. 2,00,000 than the corresponding receipts of 1937-38 with the result that the total receipts during 1938-39 became lower than the receipts during 1937-38.

The expenditure (including transfers to Capital and Reserve Funds) showed an increase of Rs. 1,40,000 as that of the previous year made up of an increase of Rs. 10,500 under debt charges and of Rs. 1,30,000 under working expenses.

The increase in working expenses is mainly due to—

- Increased traffic.
- Rates and taxes.
- Increased maintenance of tracks, piers, etc.
- Adjustment of the difference between the purchase price and market value of the Government securities transferred to other funds.

8. The value of the block capital of the trust rose from 4-57½ crores on 31st March 1933 to Rs. 4-68½ crores on 31st March 1939, while the outstanding loan liabilities for the year under review fell from about 160-75 lakhs of rupees to about 150-13 lakhs of rupees. (These figures include the net liability in respect of the sterling loan raised in England for the repayment of which a Sinking Fund has been created.)

9. The balance on 31st March 1939 of the several funds created under section 74-A of the Madras Port Trust Act, 1925, are compared below with the reserve fund fund by the Government of India in their Comptroller-General's letter No. 13-MIO/38, dated 4th August 1938. The sum of Rs. 5,000 under item (c) below has been promised to be adjusted in the current year. A new Reserve Fund called the Special Reserve Reserve Fund was constituted this year with reference to the action contained in the Government of India letter quoted above and a sum of Rs. 7 lakhs was contributed to it during the year.

	Balance on 31st March 1938.	Reserve fund.
(a) Audit Fund	Rs. 2,01,700	10,00,000
(b) Reserve Reserve Fund	Rs. 20,00,000	20,00,000
(c) Special Reserve Reserve Fund	Rs. 5,00,000	10,00,000

* This sum includes Rs. 5,00,000 advanced to Capital Account.
† This sum includes Rs. 5,00,000 advanced to Capital Account.

11. Trusts' Mutual Accounts.—With reference to the orders in letter No. 347-M. T. (10/35), dated 15th February 1935, from the Government of India, the administration of the Madras Light House was taken over by the Port Trust Board with effect from 31st March 1935. The fees levied from the vessels to the Light House are credited to a separate fund called the "Madras Light-House" Recreation and Benefit Fund.¹ A statement of account relating to it is also appended to this report—vide Appendix VIII (a).

REV. 14, 1921
PORT ST. GEORGE GASWORKS COMPANY

Amendment of section 4 of the Indian Tea Act, 1924.— 3. In clause (b) of sub-section (1) of section 4 of the Indian Tea Act, 1924, for the words "one" as the recommendation of the Government of Bengal (1) which one is to represent the Tea Planters in North Bengal) and one "as the recommendation of the Tea India Planters' Association, one as the recommendation of the Government of Bengal" shall be substituted,

STATEMENT OF OBJECTS AND REASONS

Under section 4 (b) (ii) of the Indian Tea Act, 1924, one member on the Indian Tea Market Committee Board to represent the Indian Tea planters in North Bengal is appointed on the recommendation of the Government of Bengal. The "Tea India Planters' Association, Bengal," have asked that their association may be granted the right of recommending for appointment one member on the Board from North Bengal (instead of the recommendation being made by the Government of Bengal).

3. The subject was referred to the Government of Bengal who have recommended that the authority now vested in them on behalf of the Government of Bengal in North Bengal may be assumed by the "Tea India Planters' Association" which represents the majority of the Indian-owned tea estates in North Bengal and directly acknowledged on the Board. In view of this recommendation it is proposed to amend the Indian Tea Act, 1924, so as to provide for representation of the Tea India Planters' Association on the Indian Tea Market Committee Board. This representation will be upon the existing number of members of the Board. The object of this Bill is to give effect to the proposal.

(Dispatched by order of Mr. Secretary (to Government))

F. ARTHUR MATH,
Secretary to Government, Legal Department.

The following Bill was introduced in the Legislative Assembly on the 25th August 1899:—

N. A. 1894, No. 17 OF 1899.

A Bill for the amendment of the Code of Civil Procedure, 1882, for a certain purpose.

Whereas it is expedient further to amend the Code of Civil Procedure, 1882, for the purpose hereinafter appearing, It is hereby enacted as follows:—

1. This Act may be called the Code of Civil Procedure (Amendment) Bill, 1899.

2. In sub-rule (2) of rule 43 of Order XXI of the First Schedule to the Code of Civil Procedure, 1882, for the words "in this behalf, the plaintiff or other person whose duty it is to discharge such order or orders shall withhold and remit to the Court the amount of such order or orders, as the case may be," the words "or the monthly instalments, as the case may be," shall be added.

3. In this behalf,—

(a) where such order or instalments are to be disbursed within the term within which such duty it is to discharge the same shall withhold and remit to the Court the amount due under the order, or the monthly instalments, as the case may be;

(b) where such order or instalments are to be disbursed beyond the said term, the officer or other person whose duty it is to discharge the same shall remit to the Court the amount due under the order, or the monthly instalments, as the case may be, and shall direct the disbursing authority to remit the amount of the accounts from time to time to be disbursed by the appropriate of the amounts from time to time remitted to the Court."

STATEMENT OF OBJECTS AND REASONS.

Sub-rule (2) of rule 43 of Order XXI of the Code of Civil Procedure provides that the person whose duty it is to discharge the order or orders of a public officer or of a servant of a public company shall withhold from such order or orders amounts attached by order of a Court. In the case of orders on loans in the Central Provinces the disbursing officer is the High Commissioner for India and until recently such attachment orders were forwarded to him by certificate. The High Commissioner has, however, now been advised that, as the law stands at present, no directions can legally be made under an attachment order issued by a Court in India from the loan when payable in England to an officer of the Indian Service.

The Bill proposes to amend sub-rule (2) of rule 43 of Order XXI of the Code to enable the Court to make it legal for the High Commissioner for India to comply with such attachment orders.

In the absence of such amendment the Government would themselves be liable to make good the amount under attachment by reason of the provisions of sub-rule (3) of rule 43.

ENACTED.

(Enacted by order of His Excellency the Governor)

F. APPU NAIR,
Secretary to Government, Legal Department.

The following Bill was introduced in the Legislative Assembly on the 19th August 1939:—

L. B. BILL No. 33 OF 1939

A Bill further to amend the Indian Salt Act, 1923 for certain purposes.

Enacted by the Governor-General in Council, in the 15th year of the said Majesty's said most Excellent Majesty King George the Sixth.

(1) This Act may be called the Indian Salt (Amendment) Act, 1939.

(2) It shall come into force as such date as the Central Government may, by notification in the official Gazette, appoint in this behalf.

3. In section 1 of the Indian Salt Act, 1923 (hereinafter referred to as the said Act) for the words and figures "section 2, 3 and 4," the words and figures "section 7," shall be substituted.

4. In section 3 of the said Act,—

(a) in the definition of "Assistant Commissioner" the words "an Assistant Commissioner of Northern India Salt Revenue, and also includes" shall be omitted;

(b) in the definition of "Salt-revenue-office" the words "any office of the Northern India Salt Department and also includes" shall be omitted.

5. For section 4 of the said Act the following section shall be substituted, namely:—

"4. The Central Government may, by notification in the official Gazette, appoint with such delegation as may be specified therein, one or two officers to control the administrative of salt-revenue under the Act, and where two officers are so appointed, may, by like notification, from time to time define the territorial limits of their respective jurisdictions."

6. In the last paragraph of section 22 of the said Act, for the words "Commissioner of Northern India Salt Revenue" the words and figures "other appointed under section 5" shall be substituted.

7. In section 23 of the said Act, for the words "the Commissioner appointed of Northern India Salt Revenue" the words and figures "an officer appointed under section 5" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

During the reorganisation under the control of the Commissioner of Northern India Salt Revenue of the administration of Central Excise in the Northern India provinces, the change of their office has increased beyond the capacity of one whom to administer satisfactorily. It has, therefore, been decided that his charge be divided into two, one, Central Excise and Salt Department, North-Western India, and placed under His Excellency. Then two Collectors will replace the Commissioner of Northern India Salt Revenue specified in section 5 of the Indian Salt Act, 1923. The Bill seeks to give effect to this change by amending section 5 of the Act and also by making certain consequential amendments to sections 3, 22 and 23 of the Act.

Opportunities has also been taken to include in this Bill the amendment in section 3 corresponding upon the repeal of section 2 by the Housing Act 1946, and the repeal of section 6 by the Government of India (Delegation of Powers) Order, 1947.

Yours,
The 2nd August 1948

A. J. PARKMAN,

MR. RAU,
Secretary to the Government of India.

(Repealed by order of His Excellency the Governor)

P. APPU SAIR,
Secretary to Government, Local Department.

PART I OF THE SCHEDULE.

Item 6.—This reproduces in part Item 3 of the original Bill. We consider that value "shall preserve" does not really lay stress on the despatch of British ships, cargo should be given discretion as to whether to leave at foreign ships which is accordingly included in Part II.

Item 7.—We carry three new documents in the Part in reproducing Item 11 of the original Bill, on the other hand these documents included in that item we suggest enjoining in Part II.

Item 10.—A more precise reference has been issued. The reference is therefore omitted.

Items 12 and 14.—These are Item 42 of the original Bill split into two. The two matters dealt with are as to any concealed.

Item 22 is also proposed addition. They relate almost entirely to vessels, others relating to the subject VII. As laid in Part II. We suggested specimens of the documents proposed for inclusion and we have indicated that in Part I or Part II in accordance with the principle mentioned in our observations on clause 3 of the Bill.

Item 15.—On examination of some certificates of origin we found that while in some cases effective notification was given by the Consuls of Consensus, in others the statement was merely to the effect that a declaration had been made in the presence of the representatives of the Consular either by the importer or by agent of him. More notification is required in all these cases and we therefore propose to require in this Bill only absolute declarations by the Consuls of Consensus. The declaration of "Consular of Consensus" is here the valid as in several other cases taken advantage of in the drafting, and we also intend to continue with extending the working of the reference to Consular officers and Trade Commissioners.

Item 30.—We have incorporated two amendments which we have suggested in similar places elsewhere. Firstly, we do not think it necessary to qualify a document as to be printed, secondly, by use of stamps that need transport, as has yet sufficiently established in public relations of the documents issued by such transport companies in the Bill.

Item 35.—We give what we are afraid to be the correct name of the prohibition.

Item 37.—We make an insertion requiring that the copy should be duly certified.

PART II OF THE SCHEDULE.

Items 1 and 2.—Include these parts of Items 12 and 7 of the original Bill are included in Part I.

Item 7.—We consider it unnecessary to include in this Bill Customs House reports on the movements of vessels.

Item 8 in II.—Our comments on Items 12 to 15 of Part I apply to these new items.

Item 10.—We include reference to a survey board and its valuation.

Item 21.—We include the Freight and Item 20 and have added the draft.
